CORBIN Make Your Own RIFLE Bullet Swage Kit

- CSP-1 S-Press \$769.⁰⁰
- CSL-2 Corbin Swage Lube, 2-oz \$8.⁵⁰

Select one of the following die sets:

- FJFB-3-S OT/FB 3-die set..... \$ 647.⁰⁰
Specify any caliber .102 to .998 diameter. Makes flat base, open tip styles in standard ogive shapes. Specify standard shape such as 1-E, 6-S, 8-S or ULD.

- LTFB-4-S Open tip or lead tip flat base 4-die set..... \$ 846.⁰⁰
This set adds the LT-1-S die to the FJFB-3-S set, so you can make both open and lead tip bullets. Specify caliber, shape.

- RBTO-4-S Open tip Rebated Boattail 4-die set..... \$ 946.⁰⁰
Replacing the CS-1-S core seater with the RBT-2-S rebated boattail die set makes open tip, RBT bullets.

- RBTL-5-S Open or Lead tip Rebated Boattail 5-die set..... \$ 1145.⁰⁰
Add the LT-1-S lead tip die to the 4-die RBTO-4-S set, and you can make both lead tip and open tip RBT bullets.

- FRBO-5-S Flat base or Rebated Boattail 5-die set..... \$ 1145.⁰⁰
Add a CS-1-S flat base core seater to the RBTO-4-S set, and you can make flat base or RBT open tip bullets

- FRBL-6-S Flat, RBT, Open or Lead tip 6-die set..... \$ 1344.⁰⁰
This is the core swage, core seater, rebated boattail 2-die add-on set, point former, and lead tip finishing die all in one package. It is the most versatile set.

To complete your package, add appropriate caliber bullet jackets, LW-10 lead wire, and PCS-1 core cutter from www.SwageDies.com web store.

In calibers .284 to .458, you can add a Low Drag tip insert die to make ULD-TIP ultra long range bullets. Add these items to expand capability of any of the above sets:

- PF-1-ST ULD-TIP point forming die and punches..... \$ 439.⁰⁰
- TIP-30-5 ULD-TIP inserts, pkg/500 (.284 to .458 cal.)..... \$115.⁰⁰
