

MATERIAL SAFETY DATA SHEET

SIM-TEST™ Ballistic Test Media

Product Identification

Supplier: Corbin Mfg. & Supply, Inc. Date: Jan. 1, 2003
PO Box 2659, 600 Industrial Circle Telephone: 541-826-5211
White City, OR 97503 USA

Product: ST-1, ST-6 (quantity of 10-lb blocks indicated by number)

Physical Data

Appearance and odor: Gelled cake format and slight vanilla odor
Specific gravity (water = 1): 1.30 +/- 0.2
Vapor Pressure: 760mm HG @ 212F
Vapor Density: n/a
Melting Point: 140F
Boiling Point: 212F
Solubility in Water: 100%

Fire and Explosion Data

Flash point: n/a
Flammable limits: n/a
Extinguishing Media: water spray, foam, dry chemical or CO2
Special firefighting procedures: n/a
Unusual fire and explosion hazards: n/a

Hazardous Ingredients

Component

Hazard Data

n/a

n/a

Reactivity Data

Stability: stable
Hazardous Polymerization: will not occur
Incompatibility: aldehydes will cause product to gel
Hazardous decomposition: none known

Health Hazard Information

Health hazards (acute or chronic) are not generally associated with the use of this product.
Emergency first aid procedures: If contact should occur during use, flush from eyes or skin with water. If irritation develops, consult a physician. When handling this product, good personal hygiene such as washing hands with soap and water before eating, should be practiced.

Spill or Leak Procedures

In case of spill: Small spills should be allowed to cool then picked up as a solid waste. Large spills should be contained, then allowed to cool before removal and disposal in accordance with local, state and federal regulations.
